A Message from my Superintendent

VICKERY-HILLCREST HIGH SCHOOL

To The Student Body:

It is profoundly gratifying to me to have the unusual opportunity of helping to guide the type of boys and girls that make up our student body in their development into American Citizens. We, as your teachers, hope that each one of you will be the type of good citizen that you are in your school life. Your spirit of cooperation and friendliness toward your fellow students and teachers is certainly worthy of commendation. May this same genteel fellowship prevail in this school throughout the coming years.

May I remind you again that at this time we must all work harder, faster, and longer than ever before. We must do all within our power to aid this war to a quick end, and at the same time to equip ourselves to take our place in a world that is upset by war and economic, social and civic problems - a world that will require all of our best thinking and skills. You will be part of a social order far more complex and far-reaching in its demands. Yours must be a society whose paramount purpose it is to see that men shall remain free.

This new life will need Your direction! When the Lights come on again all Over the World."

Sincerely,

Fred R. Boswell

DEDICATION

Mr. J. C. Mitchell

To one who for years has given his time and energy to the Mathamatics Department and Sportsmanship of the entire student body of the Vickery-Hillcrest High School; who by his spirit of helpfulness has endeared himself to all the students with whom he has come in contact, and who by his earnest cooperation with the other members of the faculty, has won their admiration, we, the students and faculty send our sincere appreciation to Mr. J. C. Mitchell in the United States Navy.

The Senior Class of '43 has had an average, but eventful, history. Preceded by a small advance guard in 1938, the main body of the class invaded Vickery-Hillcrest in the fall of 1939. During this first year Miss Lewis served as sponsor and Dan Cheaney as president, and under their leadership the class participated in many activities, the most noteworthy of which was the Freshman-Sophomore hayride at Flagpole Hill, on May 17,1942.

Patsy Kuhnell headed the class during its second year, again with Miss Lewis as sponsor. The social highlight of the season was the Sophomore treasure hunt, given at Bachman's Lake May 16, 1941.

For the next two years, Mrs. Graham was class sponsor and John Morton president. As Juniors, the class greatly profited, both spiritually and financially, by the production of the Junior Play, "Safety First" staged at the grade school on March 6, 1942. But the real thrill of the year was the annual Junior-Senior Banquet and Prom of May 16, the Juniors being host to the Seniors at the banquet and the Seniors, under Jimmy Long as president, entertaining the Juniors at the Prom.

The Senior year of '42-'43 promises to surpass all preceeding years in eventfulness. At the date of writing, one party, a hayride, has already been given, and at least two other major events - the Senior play and the Junior-Senior Banquet and Prom of '43 are yet in the making.

On May 31, 1943, the Senior Class will leave Vickery-Hillcrest - some to attend college, some to seek work, and many to enter the armed forces. Wherever they go, they will try to justify the hopes that their school has for them.

FOR DEFENSE

A RECORD OF THE PART THAT VICKERY-HILLCREST HIGH SCHOOL HAS PLAYED IN THE NATIONAL DEFENSE PROGRAM DURING THE SCHOOL YEAR OF 1942-1943

We Seniors of the school year 42-43 are the first V.H.H.S. to experience the real difficulties of war. All too suddenly those plans and dreams which we had so eagerly looked forward to fulfilling have gone up in smoke.

Although we feel that we are the hardest hit because the war has disrupted all our plans, we realize that all the classes in school will be deprived of many festive occasions which otherwise they would have enjoyed.

The spirit with which the student body and faculty have risen to this occasion is magnificent. It makes us proud of our school when we look at the list of achievements which have been carried out at this early date in the first semester.

Over $13,000 worth of war bonds and stamps have been bought through our school. This money is to be used for Jeeps which cost $900. each. If this trend of a thousand dollars every two to six weeks keeps up, we will have bought three Jeeps at the end of the school year.

For the first time in the school's history the Junior Red Cross has become a vital part of the school's activities under the sponsorship of Miss Nell Orr. 90% of the student body have become members and the work which it has done in this short period is commendable and demands our support.

In a two week scrap drive, 14 tons of scrap were collected by the students, an average of 138.6 pounds per student.

What we have done is perhaps no more than others have done, but it does prove Emerson's theory -

So nigh is grandeur to our dust,
So near is God to man,
When duty whispers low, Thou must,
The youth replies, I can.

OBJECTS

To promote the welfare of children and youth in home, school, church, and community.

To raise the standards of home life.

To secure adequate laws for the care and protection of children and youth.

To bring into closer relation the home and the school that parents and teachers may cooperate intelligently in the training of the child.

To develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social, and spiritual education.

Meetings are held first Wednesday

TOM SIMMONS WRITES OUR AD:

"How would you like to be patriotic and
earn money at the same time?
If you can't fight on the battle front,
do your part on the home front!
Help us win the war with food. Enlist
now with HERMOSA FARMS!"

Arthur F. Dieterich D4-2053

As we come to the end of our book, we, the staff wish to take this opportunity to express our thanks and appreciation for the splendid cooperation and willing support of the entire student body and the faculty.

We also wish to express our thanks to the advertisers. Without their support our efforts would have been in vain.

And in closing we wish to show our deepest affection and sincerest appreciation to our sponsor. Her efforts have been endless and her time unlimited, without her our dreams and great hopes would have never come true.

THE STAFF
